

## API LIST 2025

Partnering to create the world's  
finest pharma products.

# We are the API partner of choice for the world's leading pharma companies.

At Matrix, we believe in the power of collaboration. We partner with 500 customers in 80 countries, to consistently deliver high-quality APIs that fuel the creation of next-gen pharma products.

## 6 state-of-the-art manufacturing plants

with over 3850 kL installed capacity. All set to scale up possibilities.

## World-class R&D capabilities and expertise

with over 275 scientists, delivering consistent value across API development cycle.

## Facilities certified by US FDA, EU GMP, WHO,

and other leading regulatory bodies, ensuring your products meet the highest standards.
